

# Massachusetts School Psychologists Association

The Massachusetts School Psychologists Association is dedicated to promoting appropriate mental health and educational services to meet the many and varied needs of children, families and their communities. In order to achieve this aim, the Massachusetts School Psychologists Association advocates for children's needs, informs the public of the value of school psychological services, provides continued professional development and conducts research.

**This is to certify that Kaitlyn Zofcin attended and completed all requirements of 'The Ethical Practitioner,' an online conference sponsored by the Massachusetts School Psychologists Association, awarding 10 PDPs.**
